For more than fifty years has PERRY DAVIS' PAIN KILLER stood the test against all remedies prepared to eradicate pain, and today stands at the head of the list among the medicines that are so essential to keep at hand in the home.

It is not a new fangle remedy nor do the proprietors lay claim to any wonderful revelation of the ingredients that enter into the manufacture of this ever popular remedy.

It is perfectly harmless, you need have no fear of becoming habitually inclined to its use.

For Colic, Cramps, Dysentery, Colds, and all painful affections, a few doses will certainly give relief. You cannot afford to be without a bottle in the house.

Your forefathers used it and found it beneficial.

Why experiment with some remedy that is new and its effect on the system unknown?

It has many rivals but no equal.

The new 35c. size contains over double the quantity of the 25c. size.

**A LEGISLATIVE HEARING.**

Prominent Attorneys Speak on the Railroad Wharf Matter.

A Special Senate Committee, consisting of Senators Baldwin, Wilcox and McCandless, which has before it Senate Bill 15, granting land in Honolulu harbor to the Oahu Railway and Land Company for wharf purposes, held a session lasting the whole of yesterday afternoon for the purpose of hearing the attorneys interested.

On Tuesday afternoon the committee listened to a two hours' argument from W. A. Kinney for the railroad company and yesterday he spoke again from 1:30 to 4 p. m. Judge Hartwell spoke for an hour afterward as senior counsel for the Government.

As the committee has already obtained the views of the President and Cabinet on the subject and personally inspected the land affected, a report will probably soon be forthcoming.

There is some comment on the delay of the Supreme Court in filing a decision in the railroad matters now before it. The decision is anxiously awaited by all parties, including the Legislature, one member of which remarked a day or two since "that it looked as if the Supreme Court was trying to stave off the responsibility of rendering a decision in the hope that the Legislature would take action first."

**FUN ON THE WARRIMOO.**

Big Crowd of Passengers Have Concerts, Dancing, Minstrels, etc.

The steamer Warrimoo on her present voyage carries the largest number of passengers she has held at one time in the present trade, a large proportion of them being Klondike prospectors. Among the through passengers are: the Hon. Captain T. S. Brand, brother to the governor of New South Wales; General Hogge, who intends to spend the summer fishing on the Canadian lakes; Archdeacon Gunther of Sydney, who, with wife and daughter, is making a tour of the world.

In spite of the unusually bad weather the voyage of the Warrimoo was a most pleasant one. Many concerts were given on deck and dancing helped immensely to pass the time. On one occasion the stewards of the ship gave a fine minstrel entertainment, which was decidedly clever and much enjoyed. In the daytime the usual deck games were indulged in. Cards were also in great demand. Deck sports specially arranged for Easter Monday had to be postponed until after leaving Honolulu on account of the bad weather of the past few days.

**Life Insurance and War.**

If every male adult in the country carried a life insurance policy which lapsed by its terms if the holder went to war, it is easy to see that an outbreak of hostilities would cause a world of trouble in more directions than one. The situation is not quite so threatening in the present case, but never before did so large a proportion of the population of military age carry life insurance as now, and probably most of these insurance contracts are written on a peace or non combat basis. One of the big New York companies, however, has stated that its policy holders may enlist for the possible war in the assurance that their policies will be paid if they are killed, but new insurance will be fixed at a higher rate in cases where the applicant intends to join the army. Another of the big New York companies announces that its policy restrictions respecting a military life will be waived on payment of an additional premium of 5 to 10 per cent. - Springfield Republican.

**What Happened to Jones.**

Jones went into the Criterion Barber Shop to get a hair cut and a scrape as he would in any shop. Jones came out of the Criterion Barber Shop more than pleased with the manner in which he had been groomed, and remarked to a friend that he had at last found an exception to the general run of barber shops and would become a permanent patron.
